

Best Mexican Resorts to Visit this Winter

February 15, 2018 by Melissa

This winter has been very cold here in the Midwest and although the snow is beautiful, I am dreaming of white sandy beaches, sunshine and cocktails by the pool! It takes me back to those precious memories of past travels, so today I am sharing some of the best Mexican resorts to visit this winter, to help you escape the cold!

Vivo Resorts Puerto Escondido

Located on the Pacific side of Mexico, Puerto Escondido is home to [Vivo Resorts](#), the perfect place to stay if you want to immerse yourself in Mexican culture. Offering a hotel and a real estate component, Vivo has it all from group Spanish classes for guests to a Kid's Club to keep the little ones entertained.

Be sure to find time to stop by Laguna Manialtepec, one of Puerto Escondido's main wonders, while you're on your vacation too!

Generations Riviera Maya

My very first tropical vacation experience was in Riviera Maya a few years ago when I had the pleasure of staying at [Azul Beach by Karisma](#). I fell in love with the Caribbean in no time at all and cannot wait to pay another visit to Riviera Maya.

[Generations Riviera Maya](#) is another breathtaking Karisma property that I'd love to visit, as it boasts exclusively oceanfront as well as the most spacious 1, 2 and 3 bedroom suites in the area.

Multiple levels of swim-up suites and over 10 swimming pools will help you cool off and lounging by the beach will surely be heavenly in those cozy beach cabana beds!

The unlimited butler service and ample activities for children are just the icing on the cake in this all-inclusive resort!

Fiesta Americana Villas Acapulco

If you've been dreaming of visiting Acapulco, [Fiesta Americana Villas Acapulco](#) is the place to stay. They pride themselves in being one of the top kid-friendly resorts in Mexico and even offer Spa Party packages for their youngest of guests for just \$25 per person!

Book your travel through February 28th, 2018 for travel dates through March 23rd, 2018 and you'll get two free buffet breakfasts for two kids (ages 4-12) when you stay 2 nights or more.

Use code 18DESAYUNO for [online bookings](#) or call 01-800-70-VIAJA.

Krystal Grand Los Cabos Hotel

A brand new beach resort, The [Krystal Grand Los Cabos Hotel](#) is the destination for family fun in Cabo.

Featuring a kids pool with slides and a giant tilting bucket of water, kids club and activities such as arts and crafts with recyclable materials, the kids are sure to enjoy your winter getaway as much as the adults will!

Haute cuisine, fine beverages and Balinese beds make this the perfect place to relax, unwind and make some great family memories!

Azul Beach Resort The Fives Playa Del Carmen

If you're looking for the ultimate dining experience during your vacation, [Azul Beach Resort The Fives Playa Del Carmen](#) is the place to stay.

With 20 restaurants and bars, as well as a Sky Bar overlooking the azure Caribbean waters, your taste buds are sure to enjoy the selection at this all-inclusive resort.

The 15,000 square-foot Vassa spa features Zen inspired services for adults and children. Other kid friendly activities include a mini-theater, mommy-and-baby mornings, and My Gym Children's Fitness center at the Azulitos Playhouse.

For an epic adults-only experience, Villa 19 is the place to be at this resort. The 43,000-square-foot modern, high-end adults-only section offers two heated pools, a vibrant day club and grill and also 53 luxurious resort residences.

Seadust Cancun Family Resort

Last but not least is [Seadust Cancun Family Resort](#), which has completed a makeover of its 505 rooms and suites.

Guest rooms now feature new mattresses, a marble shower, bathroom fixtures and accessories, 50" HD Smart TV, proximity door locks and waterproof bracelets instead of regular room key cards.

A "Total Play" entertainment feature has been introduced as well as various promotions to take advantage of, including a Massage Promo and Glass-Bottom Boat Tour Promo.

This property is sure to be enjoyed by every generation in your family and I can attest. Check out why I think it's the [best family resort in Cancun](#)!

I hope that this list of some of the best Mexican resorts to visit this Winter helps in your dream vacation planning!
